## ABOUT FRIENDS OF THE CHILDREN — PORTLAND

Our mission at Friends of the Children-Portland is to impact generational change by supporting and uplifting the voices of youth who are facing the greatest obstacles through relationships with professional mentors for 12+ years, no matter what.

- Our model is courageous, unique, and proven.
- Our Friends are full-time, salaried and professionally trained mentors who walk alongside the children facing the greatest obstacles.
- We serve more than 450 youth in the Portland metro area.

**83%** of program youth graduate from high school or earn a GED,

**98%** wait to parent until after their teen years, and

**93%** remain free of involvement with the juvenile justice system.
